BULLETIN 20-EX-1

TO: ALL PERSONS INTERESTED IN REGULATIONS PERTAINING TO STATE
MINIMUM FIRE SAFETY STANDARDS

FROM: JOHN F. KING
INSURANCE AND SAFETY FIRE COMMISSIONER

DATE: JANUARY 3, 2020

RE: NEW REGULATIONS ON STATE MINIMUM FIRE SAFETY STANDARDS

On November 25, 2019, the Commissioner held a public hearing on proposed changes to the regulations governing State Minimum Fire Safety Standards. Rules and Regulations of the Insurance and Safety Fire Commissioner, §120-3-3(.01-.11). Those changes have been approved by the Commissioner, and the new regulations went into effect on January 1, 2020. A copy is available on the Insurance Department's website.

It has come to the Department's attention that there is a typographical error in two places in those portions of the regulations dealing with the Codes Reference Guide for Portable Fire Extinguishers and for Cooking Equipment. Those typographical errors will be corrected by an amendment to the regulation, but in the meantime this Bulletin is to provide notice to interested persons of the correct code reference for Portable Fire Extinguishers and for Cooking Equipment.

Under Table 102.13, entitled Codes Reference Guide, and appearing at pages 7-8 and pages 46-47 of the regulations, the reference to applicable codes for Portable Fire Extinguishers and Cooking Equipment should be as follows:

- Portable Fire Extinguishers – Primary Code – IFC; Supplemental Code – None;
- Cooking Equipment – Primary Code – LSC & NFPA 96; Supplemental Code – None.

If there are questions about this Bulletin, please contact Brendolyn Nichols in the State Fire Marshal's office at 404-657-9602.
