DATE: OCTOBER 1, 2020

RE: TRANSITION TO PEARSON VUE FOR INSURANCE PRODUCER
LICENSING APPLICATIONS

Beginning November 1, 2020, Pearson Vue will be the new vendor for processing insurance producer licensing applications for the Agent Licensing Division of the Georgia Office of Commissioner of Insurance and Safety Fire.

The licensing process will largely remain the same under Pearson Vue. However, improvements are being made across the board as we move towards simplifying and streamlining the licensing process.

We expect to see slight delays as we work through this transition period. Questions regarding outstanding applications should continue going to PSI at galicensing@psionline.com. Pearson Vue will not begin actively processing applications until November 1, 2020.
