RE: EXTENDING DEADLINE FOR JANUARY 1 COVERAGE

The Commissioner of Insurance announces the extension of the deadline for consumers to enroll in coverage effective January 1, 2025. The Commissioner finds that it is in the public interest to increase the time available for all consumers to enroll in or make changes to existing coverage due to factors that may have caused some consumers to delay seeking healthcare coverage. Hurricanes Helene and Milton as well as the relative newness of Georgia Access all led to this decision. The deadline to enroll in coverage effective January 1, 2025, is now at 11:59 p.m. on December 20, 2024.
